Comments:
-We used Kai's new system to send out invoices this year, it will take time for the memebrs to get used to the new system
-Signatories still need to be updated proposal Jessica & Kai we need one more from the floor

-In summary: The finances of the class is looking good currently, But I do suggest subscriptions should increase to R200 per boat.
-NOTE: This is merely a summary of cashflow movement of the class
